INSTALLATION INSTRUCTIONS

Serie Rondure single seat with backrest

These installation instructions apply to the following benches in this series:

Rondure single seat
with backrest

Rondure single seat
with backrest (end
piece with upright, left)

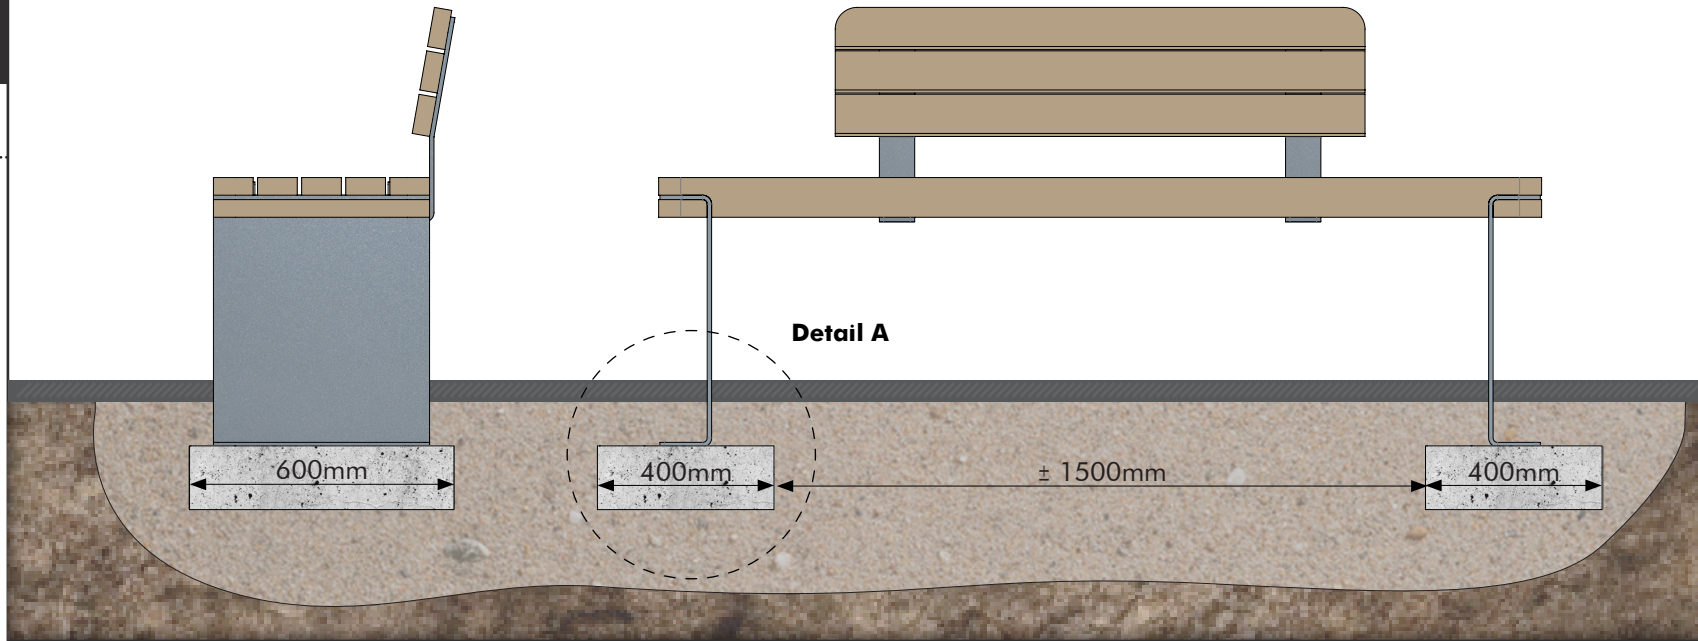

Rondure single seat with
backrest (end piece with
upright, right)

Rondure single seat
with backrest
(intermediate)

ATTENTION!

1. Determine the correct seat height in the centre of the bench if there is a slope.
2. Place a lifting strap under the concrete base to position the bench. Do not move the bench by lifting it by the seat or backrest.
